

# Curriculum Vitae

---

## Abdi Hassan Noor

I am a recent graduate from CodeSpace seeking an entry-level position in web development. During my studies at CodeSpace, I have developed an excellent eye for detail due to the heavy demands of assignments and research. As a result, I am able to work under pressure and have the potential to excel in a professional development field. I am looking for a challenging, fast-paced environment to utilize my coding skills and develop my problem-solving skills further.

## SKILLS

HTML5, CSS3, Sass, JavaScript, jQuery, Ajax, PHP, MySQL, Git, GitHub and Bootstrap.

## EXPERIENCE

### **Job Shadowing with OneDayOnly's development team for 2 weeks**

2 July 2019 – 14 July 2019

- Worked with a senior developer to fix bugs
- Learned how to setup Docker on my local machine
- Got exposure to real world coding practices

### **Home Dream, Port Elizabeth** — *Part-time Retail Sales Assistant*

December 2014 - December 2016

- Act as the first point of contact by welcoming customers in the retail store.
- Provided superior customer service with a sense of urgency and kindness.
- Guide customers to assist them in making purchasing decisions.

## EDUCATION

### **Code Space, Cape Town**— *web development Certificate*

2019 - 2019

#### **Subjects:**

Programming, professional development, design thinking

#### **Programming languages:**

HTML and Bootstrap Framework, CSS (SASS and SCSS), Responsive Design, Javascript (Ajax, jQuery) , PHP, MySQL.

### **TVET College, Port Elizabeth** — *N3 Mechanical Engineering - Fitter*

2017 - 2018

Maths, Engineering Science, Engineering Drawing and Graphics, Mechanotechnology.

### **Saint Thomas High School, Port Elizabeth** *National Senior Certificate*

2012 - 2016

English, Maths, Afrikaans, Life Science, Business Studies, History, Life Orientation.

## Achievements

When I was in Matric I tutored 12 grade 10 students in History and Geography, resulting an average increase of 30% per subject for all students.

In grade 11, I've received awards for player of the year for the Saint Thomas Soccer team.

## Transferable Skills

### Computer skills and knowledge

I have a good working knowledge of the following:

- MS Word & Excel
- Professional email communication
- Hardware - computer assembly

### Communicational Skills

Excellent written and verbal communication skills.

Confident, articulate and professional speaking abilities.

### Problem Solving Skills

Combine patience, determination, and persistence to troubleshoot errors.

Skilled at evaluating options and generating solutions.

Dynamic, results-oriented problem solver.

### Interpersonal Skills

Possess a strong commitment to team dynamics with the ability to contribute expertise and follow leadership directives at appropriate times.

Thrive in a team environment and work well with others.

Enjoy working as a team member as well as independently.

## Interests and Hobbies

I love reading non-fiction books that are thought-provoking. I have lots of passion for new innovative technologies and doing outdoor activities such as hiking, soccer, road trips.

I also enjoy spending time with family and watching Game of Thrones over and over.
